

David Bowden Law[®]

ideas are always in credit

Client Services

Overview

David Bowden Law[®] has low overheads and offers exceptional value for money. We can carry out freelance assignments at your own offices or work for you at our offices. The choice is yours.

So whether you need cover for a day, a week or a month, or simply need a one-off task completed or a major project delivered on budget and on time – contact David Bowden Law[®] to discuss your requirements.

Whatever your needs – you get the same exceptional service by a highly experienced lawyer with a proven track record and it's great value for money.

Menu of Services

- **Locum cover** either on-site or off-site. Cover for specific projects, maternity leave, sickness absence or other overspill requirements. Legal projects your business needs to outsource.
- **Training.** Training on handling financial mis-selling claims, consumer credit or data protection. Courses tailored to your requirements. Great value on CPD hours.
- **Marketing and copy approval.** Sign offs and advice for new and existing financial products and new or continuing campaigns over all media.
- **New product development.** Writing, amending and updating Terms & Conditions. Product enhancements and account migrations. David Bowden developed the UK's first Offset mortgage and first Money Back credit card.
- **Contracts.** General or IT contracts or licences. Confidentiality or non-disclosure agreements. Website terms and conditions or privacy policies.

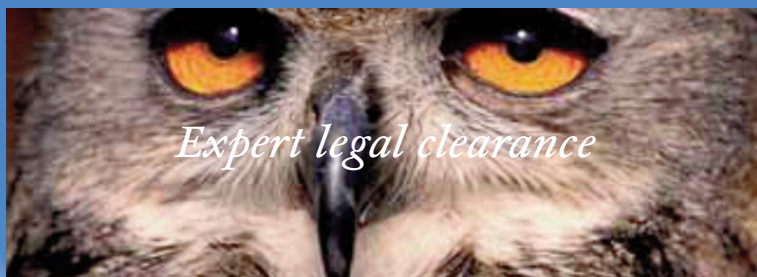

Outsourced legal projects

Menu of Services

- **Intellectual property.** Cease and desist letters issued to copyright and trade mark infringers. Domain name disputes and negotiation of voluntary transfers. Preparation of cases for Nominet or WIPO.
- **Financial services litigation.** Advice and strategy on dealing with these. Complaint handling. Reviewing or advising on problem cases including those contemplated or pending before the courts or FOS. David Bowden was the instructing solicitor on many of the leading PPI cases.
- **Mortgages or unsecured lending.** Terms and conditions, mortgage deeds and offer documentation. FCA or CCA regulated.
- **Data protection.** Fair processing notices, consents, data exports, negotiating regulatory consents for your business's data.
- **Changes to documentation,** systems and processes to comply with new legislation, codes of practice and court decisions.

About us

David Bowden Law[®] is expert in the consumer finance field including consumer credit, litigation and data protection.

David Bowden has been a qualified lawyer since 1987.

He is a Solicitor-Advocate and holds a current practising certificate with the Bar Standards Board.

Promeritum Consulting Limited holds Professional Indemnity Insurance which meets the Bar Standard's Minimum Terms of Entity Cover. For specific assignments excess layer cover can be arranged, and you can rest assured that all work undertaken for your business will be fully covered.
