

David Bowden Law[®]

ideas are always in credit

Highlights 2018

Professional Support Lawyer

- Writing and presenting webinars for MBL Seminars on consumer credit regulation, limitation periods and the enforcement of consumer credit debt and mis-selling complaints and compliance challenges for solar panel finance.
- Monthly reports for City law firm on financial services cases in the EU and UK courts with a horizon scan overview.
- Writing regular news pieces for Lexis PSL on financial services, IP/IT, insolvency, litigation and property.
- Part time professional support lawyer for the financial regulation team at Addleshaw Goddard LLP.

Writing

- Cases editor for Sweet and Maxwell's Encyclopedia of Consumer Credit Law.
- Features written for the Journal of the Chartered Institute of Legal Executives. Features include those on the UK funeral market, the gig economy and the implications for conveyancers of the CMA's review of the new home structural warranty market.
- Ghost writing content for Berners Content Marketing to help smaller law firms attract new business. Content written on boundary disputes, inventions created by employees and options for businesses when customers become insolvent.

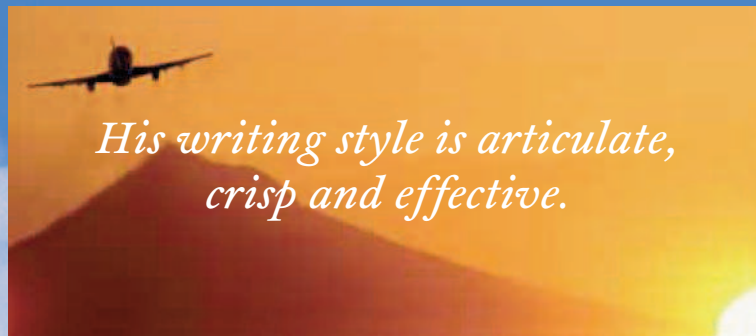

David's articles are exceptionally well-researched and learned.

Freelance legal assistance

- Providing advice on the handling of claims relating to solar panels including those with the Financial Ombudsman Service.
- Drafting and advising on share purchase agreements for small businesses and start-up investors.
- Written advice to an IT services company on the treatment of Global Unique Identifiers under the EU General Data Protection Regulation 2016.
- Providing overspill support for a retail bank in relation to credit cards, default charges and notice of default sums.
- Providing advice to an American law firm on available exemptions from FCA regulation and the Perimeter Guidance sourcebook.
- Providing advice in relation to a dispute about the allocation of a limited edition Porsche car.
